Presents

CARABU - THE HOTTEST FABRIC COMING FROM SPAIN!

WHY SHOULD YOU LOOK AT IT? BECAUSE...

- **CARABU** looks like leather but feels like fabric
- **CARABU** is an environmentally friendly product. There is no detergent necessary for cleaning
- **CARABU** is more than easy to clean....just with water!
- **CARABU** helps to sell furniture! Your customers will just love it!

Would you like to see this fabric on your sofa or chair?

Write on it with a pen and than just wipe it off with a wet cloth! You save hundreds of dollars for professional cleaning.

CARABU is exclusively available in North America only from www.bohmfurniture.com or by calling 1-905-569-9199.

There are 27 colors available, beautiful finish and excellent qualities. All colors are in stock.

Are you worried about your pets and their claws?

Don't! Carabu has been tested for over 90 000 rubs in a lab. We also did our own test with a metal nail and we achieved excellent results.
